THE FORTNIGHTLY Review

OF THE CHICAGO DENTAL SOCIETY

THIS WE BELIEVE AT KENNEDY...
Alexander the Great on EXCELLENCE:

"I had rather excel
others in the
knowledge of what
is excellent, than
in the extent of my
power and dominion."

A truth that is almost too obvious to be recognized, is the fact that dental laboratory personnel cannot consistently produce excellent restorations unless they know what *is* excellent. Actually this is a most important factor, considering that at stake are the esthetics, fit and function of a case. Entrust your prescriptions to the dental laboratory known to have experienced, progressive and respected personnel.

*A Significant New Drug
Establishing....*

NEW STANDARDS OF PERFORMANCE

Clinical investigations...rigidly controlled and blind...establish THESE NEW STANDARDS:

- **TOLERANCE**—remarkably well-tolerated, both locally and systemically. Its therapeutic index (ratio of potency to toxicity) is extremely favorable.
- **SAFETY**—meticulous investigation reveals no allergic responses to Carboaine by patients sensitized to procaine-related local anesthetics.
- **EFFECTIVENESS**—the incidence of satisfactory anesthesia recorded clearly establishes the fact that Carboaine achieves a new standard of excellence.
- **MODERN ONSET**—very rapid, frequently reported "immediate".

Try Carboaine NOW—order your supply from your dental dealer today. Comes in 1.8 cc. min. cartridges, 50 cartridges per can.

Clinical samples and detailed literature available on request.

SHIP YOUR HARD STONE MODELS TO US FOR ALL TYPES OF JACKETS, INLAYS AND BRIDGES

Use business reply label (below), no postage, no money, no C.O.D.

HARD STONE MODELS that you make from your HYDROCOLLOID, ALGINATE, SILICONE and RUBBER impressions are now gladly accepted for the construction of beautifully natural-appearing and perfect fitting porcelain jackets and bridges.

Please do not place dowel pins or cut model apart, we will do that. We suggest that you fill impression with stone to about one-half inch higher than neck of teeth. This is very important.

The hard stone model you send us should include the prepared tooth or teeth with an additional two or three teeth on either side. Also, a stone model or tray impression of the opposing teeth and a shallow wafer wax bite.

We do not disassemble or duplicate your model. We keep it intact, just as you send it to us. We ship your restoration to you on your original model. As your model is, so shall the restoration be.

Contributions: Manuscripts should be typewritten, double spaced, and the original copy should be submitted. Every effort will be made to return unused manuscripts if request is made, but no responsibility can be accepted for failure to do so. Anonymous communications will receive no consideration whatever. Manuscripts and news items of interest to the membership of the society are solicited.

Forms close on the first and fifteenth of each month. The early submission of materials will insure more consideration for publication.

To bring your old Model 3A Wig-l-bug right up to date, ship it to Crescent. We check and clean thoroughly. We replace the mechanical timer with a new electric timer. We completely overhaul the motor, supply new wires where required. And we remount the mechanism in a new bright, white housing . . . or a new lustrous, black housing *whichever YOU prefer*. This offer only to 115 volt, 60 cycle machines. The cost? Only \$49.50 for the change-over to the new white housing, only \$44.50 to the new black housing. F.O.B. Factory.

STANLEY TYLMAN TO APPEAR ON CDS RADIO PROGRAM

Dr. Stanley D. Tylman, head of the Department of Crown and Bridge at the University of Illinois College of Dentistry, will be the guest interviewee on the regular Chicago Dental Society program on Station WJJD, 1160 on your dial, Wednesday evening, September 7, at 8:30.

His comments will be entitled "The Art and Science of Providing Suitable Substitutes for Tooth Structures."

CREST TOOTHPASTE RECEIVES A.D.A. APPROVAL

The American Dental Association has officially recognized Crest Toothpaste as an effective decay preventive agent. Crest is the first dentifrice to receive such recognition.

The A.D.A. Council on Dental Therapeutics reported:

"Crest has been shown to be an effective anticaries (decay preventive) dentifrice that can be of significant value when used in a conscientiously applied program of oral hygiene and regular professional care; Crest dentifrice may also be of value as a supplement to public health procedures."

The dentifrice contains stannous fluoride as its principal active ingredient. The Council emphasized that the stan-

nous fluoride dentifrice is an aid in combating dental decay; it is not a cure-all. Nor will it substitute for fluoridation of community water supplies. It is also the hope of the Council that additional studies will further clarify the role of Crest and other dentifrices in the program of preventing dental decay.

A more complete evaluation appears in the August 1960 *Journal of the American Dental Association*. Be sure to read it.

JOHN ZUR TO ADDRESS PODIATRY ASSOCIATION

The 48th Annual Meeting of the American Podiatry Association will be held at the Drake Hotel, Chicago, Illinois. The Scientific Sessions are scheduled from August 27th through August 30th, 1960.

The members of the Chicago Dental Society are cordially invited to attend the scientific sessions and to visit the Hall of Science. The opening General Session on Saturday, August 27th, 10:30 a.m. to 12:00 noon in the Grand Ballroom at the Drake Hotel, will be a Conference on "Geriatrics and the Health Professions." Following the welcome by Dr. Marvin W. Shapiro of Toledo, Ohio, President of the American Podiatry Association, the Conference will be moderated by Dr. Samuel Andelman, Chicago's Commissioner of Health. Appearing as panelists

will be: Frederick C. Schwarz, M.D., Chairman, Committee on Aging of the Council of Medical Service, American Medical Association; Florence L. Baltz, R.N., President, American Nursing Home Association; John E. Zur, D.D.S., Deputy Director, Illinois State Department of Public Health, Division of Dental Health, Springfield, Illinois; Mr. Ben L. Grossman, Director, Drexel Home for the Aged; Edward L. Tarara, D.S.C., Chairman, Committee on Aging, American Podiatry Association.

ELBERT CROSBY PENDLETON
March 14, 1882—July 15, 1960

Dr. Pendleton was graduated from the Chicago College of Dental Surgery in 1907. He practiced general dentistry in Golden, Illinois for 17 years. In 1908 he was married to Miss Jennie Crain of Augusta, Illinois, a graduate of the Knox Conservatory of Music in Galesburg, Illinois.

In 1924 Dr. Pendleton accepted a teaching position in the Prosthetic Department of his alma mater which had become the Dental School of Loyola University. He was active in teaching and research until his retirement in 1952. He had risen from the status of an Instructor to a Professorship in Full Dentures in 1938 and Head of the Denture Department.

In 1951 he became Professor of Research in Full Denture Construction.

Dr. Pendleton was a tireless student. He received an M.D.S. degree in 1933. His research included intensive studies of the anatomical and biological structures of the edentulous mouth as related to full denture construction. His published articles number over 24 papers which were

read before many dental society meetings.

In 1938 he was President of the Illinois State Dental Society. He was a past-President of the Alumni Society of the Chicago College of Dental Surgery of Loyola University, an Emeritus member of the Odontographic Society of Chicago, member of the American College of Dentists, the OKU and Xi Psi Phi fraternities.

He leaves his widow, Mrs. Jane C. Pendleton; and a sister, Miss Ella L. Pendleton of Augusta, Illinois.—*Edgar D. Coolidge.*

CHARLES W. FREEMAN
January 18, 1892—July 26, 1960

Dr. Charles W. Freeman, aged 68, one of Chicago's distinguished figures in dental education, died suddenly in his home in Evanston, Illinois on July 26, 1960.

Charles Freeman was born in Sharon, Vermont, in January, 1892. After graduating from the high school in South Rayalton, Vermont, in 1909, he came to Chicago and enrolled in Northwestern University Dental School, from which he received the degree of Doctor of Dental Surgery in 1912.

Since Charles was too young to qualify for the State Board examinations at the time of graduation, he served as a clinical instructor at Northwestern for a year before entering practice on a part-time basis with an uncle, Dr. Arthur Freeman. It may be of interest to record that Charles' uncle had been a member of the faculty of Northwestern University Dental School at the time of its founding in 1891.

Charles' major interest was in oral surgery and it was in the surgery clinics, under the direction and inspiration of Doctors Thomas L. Gilmer and Herbert A. Potts, that he distinguished himself as a teacher and earned the title of professor of oral surgery, which he held until his retirement in 1957.

During the first world war he went overseas with hospital unit number 12 and served two years in France with the British forces. He held the rank of Lieut. Colonel in the Army, Retired, at the time of his death.

Dr. Freeman was active in the affairs

North Suburban

Well—Milt Dawson has moved down to Charleston, Ill., where "Life is easier." . . . Leo Pierce is a new member of the Branch. He now practices part-time in Northbrook. Welcome, Leo! . . . Dick Renn has recovered from his hernia operation. . . . The Evanston Association outing was a real success, thanks to Corvin Stine, Jr. and Bob Flynn. Low gross went to "Scotty" Scott, and Doug Meinig got the low net cup. Interesting was the fact that every one of the golfers at this outing, at Mt. Prospect Country Club, left the course to attend Charlie Freeman's memorial service and returned for dinner. . . . At the Evanston Chamber of Commerce outing, Art Freeman out-shot the field of 300 golfers with a 74. Atta boy, Art! Why don't you and Middlecoff team up? . . . Carl Brasmer is touring Banff, Lake Louise, Vancouver, and Glacier National Park. . . . Jim Stephens is enjoying his vacation "up home" in North Dakota. . . . Our Program Chairman, Doug Meinig, says that all plans have been completed for next year. All speakers have been committed, and this year there will be two extra features; a half-day with the Dental Assistants and Hygienists, and a full day's course at Villa Moderne. . . . Frank Farrell announces that Loyola Dental Alumni Association will hold its annual Golf Outing and Dinner Wednesday, September 14th, at Midwest Country Club, Hinsdale. There will be \$750 in prizes. Write the golf chairman at the Dental School for reservations, or call Ted Chrobak, GL 5-3632. . . . Mary Ann and Bill Ford, Carol and Terry Kiely, Marguerite and Bob Jans, and Dolores and Bob Kent sailed down to Northerly Isle Wednesday, July 27, from Wilmette Harbor on the Kents' luxurious and commodious yacht, *Lolita*, to give President Ike a gracious send-off after his appearance at the convention. As Ike's four helicopters rose into the air

from Meigs Field, the President was saluted by blasts from the *Lolita's* powerful horns. Afterwards, the four couples cruised through the various yacht harbors along the shore, passed through the locks on the Chicago River, sailed up (or down—which is it?) the river to the Madison Street bridge where Bill Ford, reclining in shorts on a lounge chair on the deck with hors d'oeuvres in one hand and a "tonic" in the other, gaily hailed several of his perspiring friends and neighbors rushing to commuter trains in the Northwestern station. Talk about dirty pool! Later the group returned to the lake for a far off-shore swim while Dolores prepared martinis and a delicious chicken dinner. After dinner they returned through the gathering dusk and glimmering shore-line lights to Wilmette Harbor. What a delightful way to spend a Wednesday!! After this experience, Orthodontist Ford and Oral Surgeon Jans are considering returning to general practice. . . . That same Oral Surgeon mentioned above, Bob Jans, recently was elevated to the full active staff of St. Francis Hospital, Evanston, and appointed chairman of the Dental Division of the staff. In St. Francis Hospital's new outpatient wing a fully equipped dental suite, consisting of two operatories, a laboratory, and a dark room, as well as an adjoining cephalometric x-ray room have been installed, and Bob has been commissioned to organize a department of the fourteen dentists now on the staff to operate and utilize the facilities.—*Floyd Grover*.

West Side

The summer vacations are in full swing and there aren't too many of the West Side members in any one place for too long. . . . Al Sells is off on one of his jaunts. . . . Leo Cahill will shortly be off for an extended trip to Europe. Couldn't get any details on Leo's trip but expect

some shortly. Seems though that Paris and parts of Holland were mentioned so it sounds like the makings of a nice time. . . . Dan Laskin and Irwin Robinson are working hard and are probably going to close their office as they usually do about this time each year. Where to, boys? . . . See Ed Chmiel frequently and can say that he's about as active as ever. . . . John Reilly, Leo Cahill and our branch President, Walt Zipprich, as usual are improving their golf scores. . . . The Loyola Dental Alumni Association will hold its annual Golf Outing and Dinner Wednesday, September 14, at the Midwest Country Club, Hinsdale, Illinois. This is always an outstanding event. There will be \$750.00 in prizes given away to both golfers and non-golfers. A delicious rib dinner will be served starting at 6:30 p.m. Reservations may be made by writing to the golf chairman, c/o the Dental School, 1757 W. Harrison Street, Chicago 12, Illinois. Reservations for four (4) may be had, as well as choice tee-off time, by calling Dr. T. Chrobak at GLadstone 5-3632. . . . This is all for now but will be glad to accept any choice information from whence it comes. . . . Have a good time for the remainder of the summer.—
A. Kelleher, Branch Correspondent.

Northwest Side

Your correspondent has just returned from a brief vacation which took him and his family through the Lake of the Ozarks as well as down to Hot Springs. After this brief vacation I have become a firm believer in the old adage that "a vacation is not a vacation unless it is spent away from home." . . . I understand that Iver Oveson has just returned from the Ozarks where he spent a most enjoyable vacation as a guest of one of his former classmates. . . . This summer is fast drawing to a close but there are still those who are contemplating vacations. Among those lucky few who will be thinking of us back here at work will be, Larry Peacock, Mitch Kaminski, Ted Ferguson, and Mark Spencer. . . . Larry Peacock will

soon be off for an extended tour through most of the countries in Europe. As he was telling me of his planned itinerary I couldn't help but feel a desire to join him if I were able to do so. . . . Mitch Kaminski will be visiting Poland shortly and while there he will be attending the International Medical Conference which will be held in Warsaw. Mitch promised that when he got back from his trip he would give me all the details which I might then pass on to our members. Mitch Kaminski's son Leroy is visiting a classmate in Mexico. . . . Ted Ferguson and family will soon be off to Delavan, Wisconsin, where they will spend their vacation at a popular resort area. Mark Spencer is going to visit his old hometown near Cedar Rapids, Iowa. I understand that Mark is eager to exercise his new "Caddy" prior to his trip. . . . Both Mark Spencer and Ted Ferguson are contemplating calling on our branch members with regard to the season dinner tickets that will be offered. After a brief discussion I had with Ted Ferguson I can assure you that he has arranged for an interesting program for all our branch meetings this fall. . . . Bob Pawlowski, one of our Northwest Side orthodontists, is leaving soon for a vacation to Powers Lake, Wisconsin. Pawlowski, Senior, who just returned from a tour to California, will have to hold down the fort until Bob returns. . . . Bad luck must run in twos for Jerry Chyrek who just had a slight accident with his car. Only a day or two prior to this accident his car was broken into by vandals. . . . I understand that Cas Rogalski also had an attempted burglary at his home recently. . . . Our Joe Ulis has recently been appointed as chairman of the Finance Committee of the C.D.S. . . . Ted Olechowski's daughter, Nancy, spent the summer here in Chicago visiting with her folks; however, she is leaving soon for Spain where she will teach at a Naval Base for the coming year. . . . A. DePalma has just relocated his offices and he is now at Cicero and Fullerton. . . . A brief note to all loyal Loyola grads: The Loyola Dental Alumni Association

will hold its Annual Golf Outing and dinner, Wednesday, September 14, at the Midwest Country Club, Hinsdale, Illinois. This is always an outstanding event. There will be \$750 in prizes given away to both golfers and non-golfers. A prime-rib dinner will also be served. For reservations please write the golf chairman, c/o the Dental School, 1757 W. Harrison St., Chicago 12, Illinois, or call Ted Chrobak at GLadstone 5-3632. This should be a most enjoyable post-vacation outing. . . . With the next issue of your column I hope to have more information about the coming fall branch meetings.—*Chester L. Jasick, Branch Correspondent.*

South Suburban

Attention, Loyola Dental Alumni! Loyola Dental Alumni will hold their Annual Golf Outing and Dinner Wednesday, September 14, at Midwest Country Club, Hinsdale, Illinois. This is always an outstanding event. There will be \$750.00 in prizes given away to both golfers and non-golfers. A delicious prime-rib dinner will be served starting at 6:30 p.m. Reservations may be made by writing to the Golf Chairman, c/o the Dental School, 1757 West Harrison Street, Chicago 12, Illinois. Reservations for four (4), paid for in advance, may have choice tee-off time, by calling Ted Chrobak at GLadstone 5-3632. . . . Haven't much news to report. Many men are on vacation but don't let me know. Heard that John and Mrs. Fox spent a couple of weeks down in Miami. . . . Smiley and Mrs. Simon spent some time up North in their cabin. Didn't hear any fish stories though. . . . During the first week of

August, Ingalls Memorial Hospital and St. James Hospital staff members had their annual golf outing. No results at this writing but will report next issue. . . . From the sudden thought department; many of us are at the "Metallic" age—gold in our teeth, silver in our hair, and lead in our pants.—*Thomas R. Case, Branch Correspondent.*

Kenwood-Hyde Park

There is no doubt that this is vacation month—called ten men for news and found two in, and it wasn't on a Wednesday or a Saturday. Nobody called to relate news so in utter desperation your correspondent found his way into the office of the man who held the position of branch correspondent for a number of years, Larry Johnson. After getting off my hands and knees he promised to bring in some news and what do you think was one of the items listed? Here goes, "Mort Fireman's better half sporting a new Dodge Dart." Now why didn't I think of that myself? Thanks, Larry, also for the other news of our members. . . . Ed and Mrs. Franklin have just moved into their new home and it is beautifully done. Mrs. Franklin was both contractor and architect. Our best wishes to you both. . . . Ed Schaaf is playing tournament tennis these days—office closed quite frequently. . . . Greg Strobel just returned from a three-week jaunt in the East, also took in Montreal. . . . Harold Stackler and his family are leaving for a week at the Dells in Wisconsin. . . . Dave Torch also spending time away from the office—perhaps golfing—his home is practically on the golf course. What a life! . . . Willard Johnson is anxiously awaiting the arrival of his Swedish Volva car. It is to dock in the new port of Chicago. . . . Sorry to hear about Howard Harvey's

son who fell out of a tree and broke his arm in two places. Hope he is well on the road to recovery. . . . Have you seen the ultra in modernity? Visit Herzberg's and Stackler's establishment at 7200—a beautiful remodelling job has just been completed. . . . Henry Leib spent his vacation in Canada fishing in beautiful Birch Lake. He says the fishing is wonderful and he caught a nine-pound northern pike????? . . . William Eberle has just completed a very successful magnetic implant denture. We'd love to hear more about it at our next meeting. . . . Charles Buford has been ill for four weeks in Michael Reese Hospital and am happy to report that he is now back in his office. Our best wishes to you and please keep well. . . . Milt Sondell upon his return from Israel, will participate in the American Dental Association Scientific Program in Los Angeles with Dr. Charles Stuart and the gnathological group. . . . Another reminder of the Loyola golf outing Wednesday, Sept. 14. Make your reservations with the golf chairman in care of the dental school, 1757 W. Harrison St. You may have choice of tee-off time if reservations for four are paid in advance. Call Dr. Ted Chrobak at GLadstone 5-3632. . . . We not only have golf and tennis champions in our midst, but we also have ski champions, and you know of whom I speak—of course—Jean Jacobi and his very lovely wife, who brought home five trophies July 19 at the St. Charles tournament, and after the week end of July 23 and 24 in Columbus, Ohio, brought back four trophies in jumping-slalom and tricks. More tourna-

ments are coming up in Detroit, Mich., Springfield, Ill. and Minneapolis, in which the Jacobi's will also participate. Good luck and congratulations for your previous successes. . . . Al Smith and his wife, Lill, are in Miami Beach staying at the Eden Roc Hotel and I understand will be Nassau-bound.

Englewood

"All the news that's pit to frint." So, Waska insists that each Englewood column MUST begin with those immortal words on the masthead. That smacks of pressure from the advertisers, old boy. I'd rather have said, "All that's news are caught napping!" But, I bow to the inevitable; yield to the pressure groups; compromise my principles; and meekly murmur, "all the news that's pit to frint." Now, get your foot off my neck and gib me my wobbly wower denture back, Waska! So, with my plate perfectly

powdered and snugly stuck against a once-powerful mylo-hyoid ridge, I rise to protest against all the news I'm deluged with about our vacationing colleagues. While their FORTNIGHTLY REVIEW slumbers silently in its sleek brown envelope blanketed by beves of unopened checks and money orders (with but an occasional bill) they cavort around the country—fishing, boating, travelling, sightseeing and generally rousing the Green-Eyed Monster to plague and irritate us poor souls who remain at home. . . . I promise not to mention a word about fellows like Jack Manning delving about the Dells; George Watts fishing near the Arctic Circle; John Guldán putting (whatever they put) in the soil bank on his new farm; Theodorou flitting around Florida AND Phoenix; Michel in Charlevoix; etc., etc. . . . No sir, this column concerns itself only with stay-at-homes like Ray Wiegel who can't afford to go anywhere while his daughter, Janet Lou, is in Europe with the International Friendship Hospitality Tour; or Bob Hilton whose new offspring limits his trips to a circular area the radius of which must intersect a diaper service; or our own songwriter, Al Jason, whose latest lyrics "Home on the Range—Where the Soot and the Grease Softly Lay" has him working on more lines to make it pay. Still others like Jim Stokoe who does his tripping in all SEVEN rooms of his new office, never hitting the right cabinet drawer the first time—make your second try first, Jim, I learned that from Louis Christopher who hides everything but the motor chair.

Some of the boys at home bring the mountain to Mohammed. Ray Anderson gets that clean, tangy Northwood's ozone by putting an emulsion of pulverized pine cones in his air-conditioner; Vern Eklund places his shoes in a low pan of cold sterilizing solution and each morning finds them lovingly covered with authentic Minnesota blue mold. The hypnotic hotshots—John Holmes, Bruce and Grant Spooner—go into "Trout trances" cocking one ear toward the gurgling mountain stream of their cuspidors and the other toward the screaming whine of a fishing reel as played by their high speed engines. The bravest of them all, Jim Green and Dan Duffy after spraying themselves with repellent (maybe that's what's keeping the patients away) release bottles of ticks, mosquitos, and assorted vermin sent by Dan Kellogg from Door County, who's writing a news release on "Cannibals of the Insect World." Ted Fishman gets the effect of vacationing by carrying four suitcases, 2 ladies' hat boxes and a fishing pole while he commutes between offices; while Don Reynolds and John Byrne roam around the wide open spaces of congenitally missing laterals. . . . So, to these and all other non-vacationing brethren, who despite broken-down air-conditioners and equally sad substitute assistants, amid the wails of their absent colleagues, "emergency patients" who say: "Dr. Dooty didn't do it like dat," still manage to serve sweltering humanity, this column is respectfully dedicated. Try to get away for a few days, fellows, I won't spill! If not, try to get to the

North Side

The simplest job that one can have is that of an assistant to an ambitious and hard worker. Last year the chief chirographer was Bill Semiloff. This year's diaskeuast is Paul Brown. Bill turned a few articles over to the committee out of a sense of duty. Illness in Paul's family forced his hand. . . . However, Paul's Hilda is recovering from her recent surgery. Mysyax Paul asked that I extend his thanks to the North Side Branch for extending their good wishes. . . . Basil Cupis is also doing nicely. . . . There are vacationers aplenty: Abe Goldstein visited his daughter at Camp Clam Lake, Wisconsin. Isn't that a romantic sounding name? . . . Stan Buckner visited his old home town in Manitoba. . . . Jules Barrash, Rube Kadens, and Stan Goldberg chased fish in Greenlake, Wisconsin. . . . Max Feinberg week-ends in South Haven. . . . Myron Chubin is traveling through Glacier and Yellowstone Parks and the Northwest. Upon his return he will enter the firm of Chubin, Chubin, and Chubin, Re-

pairers of Teeth, Natural and Otherwise. (In case Max is left out of an issue, we have a backlog). . . . Meyer Poliak returned from a ten-week trip around the Orient. That is one I would like to hear more about. . . . Earl Elman and Warren Gerber are planning to go to Hawaii after the A.D.A. Meeting. . . . Norm Rodin is spending a restful summer at home. Aub Lauterstein, one of Norm's new neighbors in Highland Park, is doing the same. Manny Frazin visited his daughters at camp. . . . Bernie Perlman injured his foot at Elkhart Lake. His son, Ronnie the Drummer, will enter college this fall. . . . Argianas mixed business with pleasure. He took three days of his two-week trip to New York for an intensive course in crown and bridge. . . . Bernie Spiro postcarded from Teheran on his way from Israel to Bombay. He was amazed by the progress of Israel in the last two years. . . . Paul Krolik won the Krolik Trophy for the most improved golfer at Twin Orchards. . . . Did you know that we had a Thespian in our midst? If you will notice the rave reviews from the Tent-house Theater you will note that the play is entitled "Who Was That Lady?" The leading players are Joey Bishop and a fellow named Oppice. How about that? . . . Harry Hultgren has taken a month and a half trip through the western states. . . . Herb Krummel was out West for the month of July. . . . Summer theater and concerts are Mark Mendelsohn's partial dissuasion from Loreleis of guileful dimension. Needless to say he still finds time to work with Aub Lauterstein, Max Chubin and Harry Greene on a very am-

bitious educational program for the Branch this coming year. . . . Please mark these important dates in your appointment book. North Side Branch meetings on the following Tuesdays: October 11, January 10, March 14, and April 11. Clinic Day on November 23. . . . Also note Loyola's Alumni Association Annual Golf Outing and Dinner on Wednesday, September 14, at the Midwest Country Club in Hinsdale. . . . The Eichmann Case will be the topic of the Uptown Dental Forum on either the 16th or 30th of September. The speaker will be the Israeli Consul. Don't miss these important events. . . . The pleasant "Hello-nothing new" was heard from Ross Walser, Howey Adilman, Art Duxler, George Haberman, and Jack Applebaum. Harold Blohm offered the same response, but after a little wheedling revealed that he had just become the father of a five-pound, four-ounce girl. One of the axes that I grind is that the phrase "baby girl" is redundant. . . . I am sad to relate the news of the death of Dan Nechtow's sister. Our sympathies to the family. . . . When she is not in the Illinois State Legislature fighting for her North Side constituents to beat down the illegal laboratories, Representative Esther Saperstein conducts a travel service. She is arranging a "package deal" to the A.D.A. Convention. This includes four nights in L.A., following with three nights in Las Vegas, two dinners, two breakfasts and transportation between hotel and airport. Entire cost, \$235.00. Normal round-trip Chicago to Los Angeles costs \$199.00.

How can you go wrong! Phone your Correspondent, Paul Brown, SHeldrake 3-1643. . . . Dick Gunther and Harvey Locker are opening another office in Mt. Prospect. Good luck! . . . Danny Laskin is arranging postgraduate courses at Michael Reese Hospital and at Illinois. . . . The sharp eyes award in cold cash went to Earl Elman. His guess was nearest to the actual total to be guessed at the International Fair. His first place prize was \$2,500.00. He may blow it on his twentieth anniversary in September. . . . Leonard Teicher has returned from two years of Air Force service at the U2 base in Turkey. He is now looking for a practice or association. . . . My closing note to ponder comes from Henry Seifer. He suggests that we investigate Natural Hygiene for a sensible approach to nutrition and living methods.—Herb Lippitz, Vice Chairman.

West Suburban

All indications point to a banner year for the West Suburban Branch. . . . Upon receiving the completed questionnaire surveys which were sent to all of us, Joe Brophy began action with his committee and here are some of the results. . . . In accordance with the desires of the membership there will be a special meeting held on Tuesday evening, September 27th, dealing with some of the lateral aspects of the dental practice. This meeting will be a non-scientific and a non-technical one, including such subjects

as Dental Legislation, Dental Service Corporations, Public Relations, Legislative and Laboratory Relations, and Illegal Dentistry. As can be surmised by the topics alone, this meeting will be a most outstanding one of deepest concern to all members. After becoming cognizant of the speakers on the panel, I'm sure all will mark this date as a sure MUST. The panel includes (1) Mr. Bernard Conway, Secretary of the Council on Legislation of A.D.A. (2) Dr. Len Esper of Springfield, Chairman of Public Policy Committee of the Illinois State Dental Society (3) Dr. Carl Madda, Chairman of Public Relations Committee of C.D.S. (4) Dr. Robert Pollock, Chairman of Legislative and Law Enforcement Commission of I.S.D.S. (5) Mr. Edgar Stephens, Program Director of the I.S.D.S. How does that sound for a panel? . . . Also, in accordance with requests received, a Golden Anniversary celebration will be held at the last meeting of the year on April 11th. This will be a social meeting featuring dinner and dance at the Oak Park Club. The cost for members is included in the regular season ticket. Wives and assistants naturally are welcome. Guest tickets will be \$7.00. . . . Beside these two outstanding affairs, other interesting and educational programs have been selected. Will keep you posted on them in the future. Be sure to contact Jim Ridlen if you have not received your seasonal ticket for we do expect a typical "White Sox Sellout." . . . On the extracurricular news side, we are awaiting the Wayne Dunmons' return from Rhinelander, Wisconsin to find out whether Wayne has accepted the personal invitation by the Japan Dental Association to speak on Dentistry for Children in Tokyo, Kyoto, and Hong Kong. . . . Correction on an item of a previous issue as to the removal of Dom Catrambone's office to a new ground-floor quarters on North Avenue, not Chicago Avenue—Apologies, D. J. . . . That's about it for now; however, would like to leave you with this thought by Goethe, "Behavior is a mirror, in which everyone shows his image."—J. V. Discipio, Branch Correspondent.

of the Chicago Dental Society and was editor of the BULLETIN from 1929 to 1934.

In 1933 he was appointed Assistant Dean at Northwestern and in 1938—after the death of Dean Arthur D. Black—he was appointed Dean of the school. He became very active in the affairs of the American Association of Dental Schools and served as president of this organization in 1951. He held memberships in many scientific societies, including the American College of Dentists and the Royal College of Surgeons of England. He was also an honorary member of the Swedish Dental Society.

All of us who knew Charles Freeman will remember him as a staunch friend with a heart of gold.

He is survived by his wife, Ruth; two sons, Arthur and Robert (both dentists), and seven grandchildren.—Robert E. Blackwell.

October 16-20, 1960**

Once each year during your annual meeting we have the opportunity to show what progress we have made in the highly specialized field of fixed crown and bridgework.

This opportunity for dentist and technician to discuss what was done or has happened during the past year and then consider what could transpire during the forthcoming year makes for a most constructive educational period.

We shall look forward to your visit at our booth.
